

WRNSC Injury Reporting Policy

April 27, 2020

Definition: For this policy, an injury is defined as any injury that interrupts athlete training, halts a training session, and/or requires medical attention.

For any injury occurring at a Club approved event (e.g., practices, races, team travel, special events), the Coach or event organizer will report the incident to the Board within 48 hours with a description of the incident. The description will include the individual(s) involved, time and location of the incident, nature of the injury, and any relevant information relating to the incident. The Board and Coach or organizer will consider the incident and investigate how similar injuries can be prevented in the future. The Board will be responsible for ensuring these results are communicated with all relevant coaches, athletes, and parents.

Examples of injury, include but are not limited to:

- Concussions or other head injuries
- Sprains and strains
- Fractures
- Lacerations requiring first aid or medical attention
